O R D E R

This matter arises upon the April 4, 1991 filing by Lyon County Water District ("Lyon District") of an amended petition for waiver of the requirements for a Certificate of Public Convenience and Necessity to construct a water line extension and for approval of the plan of financing the construction. In its amended petition, the district requests the Commission reconsider its March 26, 1991 Order denying the requested waiver, or in the event the Commission denies the waiver, that an informal conference be held.

After consideration of the amended petition, the record in this case, and being otherwise sufficiently advised, the Commission finds that a ruling on the amended petition should be withheld pending an informal conference with Commission Staff and the filing of data requested below.

IT IS THEREFORE ORDERED that:

1. Lyon District's request for an informal conference be and it hereby is granted.

2. Lyon District shall appear at an informal conference on April 16, 1991, at 1:30 p.m., Eastern Daylight Time, in Conference Room 1, of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

3. Lyon District shall file 10 copies of the following information with the Commission on or before April 12, 1991:

a. Documents showing in detail the proposed method of financing the project, including but not limited to grant award letters, letters of condition or notes.

b. The plans and specifications of the proposed construction project, or if unavailable, a narrative statement providing a complete description of the project.

Done at Frankfort, Kentucky, this 5th day of April, 1991.
